The Principal, SAR College of Architecture has informed that their institute has given willingness to accept the transfer of students from Holy Mary Institute of Technology and Science (College of Architecture) to SAR College of Architecture. The Registrar, COA in the approval in their letter in the reference 3rd read above has issued permission for transfer of students from Holy Mary Institute of Technology and Science (College of Architecture) to SAR College of Architecture.

2. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad in his letter in the reference 4th read above, has informed that based on the inability to run the institution expressed by the Holy Mary Institute of Technology & Science(HITS), R.R. District, the COA in their letter dt.15.6.2009 has permitted the SAR College of Architecture, Krishna District to take 20 students of Holy Mary Institute of Technology & Science, R.R.District on transfer at IX semester level as even after their transfer, **the intake in respect of the said batch will be below the total sanctioned intake of the SAR College of Architecture**, Agripally, Krishna District.

3. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad has further informed that the (20) students of the said above batch has given their options to transfer them to Sri Venketwara College of Architecture, Madhapur, Hyderabad. The Principal, Sri Venkateswara College of Architecture, Hyderabad has stated that their institution is having only 5 vacancies out of sanctioned in take of 60 seats in IX semester batch and therefore requested to adjust the 5 students in the said vacancies and the remaining 15 students to be admitted as per the permission of the COA over and above the sanctioned intake.

4. The Government after careful examination of the matter have observed that in case the (20) students are transferred to the Sri Venkateswara College which is having only 5 vacant seats, 15 supernumerary seats have to be created which comes over & above 1% ceiling limit as prescribed in G.O.Ms.No.122, dt.1.9.2005 and it is against the permission given by the Council of Architecture(COA) in their letter dt.15.6.2009. As per the letter given by the Principal, SAR College of Architecture they have only seven(7) students in 9th Semester as against 40 students of sanctioned in take in architecture. Even, if the 20 students of Holy Mary Institute of Technology & Science, College of Architecture are transferred to the SAR College of Architecture, the total strength becomes to 27 which is below the sanctioned intake of 40 Seats as stated in the letter dt.15.6.2009 of Council of Architecture, New Delhi.
